

## **Background of HKANC Scholarship Program**

The Hong Kong Association of Northern California is dedicated to the progress and success of our future business leaders of tomorrow.

In 2001, The Hong Kong Association of Northern California initiated a Scholarship fund designed to provide scholarships to undergraduate university students of high academic distinction. This is based on the belief that investing in today's youth will help to ensure that students strive to achieve their goals and to develop into leaders of tomorrow.

**As of to date, the Association has donated over \$230,000 to the University of California, Berkeley and San Francisco State University.** This was all made possible by your generous support and the Association would like to ask for your continued support with this worthwhile cause so that more students will stand to benefit.
