ABOUT THE FOUNDATION

In 2001, The Hong Kong Association of Northern California (HKANC) initiated a Scholarship fund designed to provide scholarships to undergraduate university students of high academic distinction. This is based on the belief that investing in today's youth will help to ensure that students strive to achieve their goals and to develop into leaders of tomorrow.

Since the program's inception, we have provided **more than \$400,000** to the community colleges and universities in Northern California for deserving students of outstanding community involvement and academic achievement with financial needs. The HKANC believes scholarships are a core investment for the future, providing the opportunity of a lifetime to talented young scholars, many of whom will make vital contributions to our society later in life.

HKANC Scholarship Foundation established in 2017 is a 501(c)3 nonprofit organization (TIN: 82-1256009).
